Doc, you don't just walk into a store and ask for plutonium. Did you rip this off? Can't be. This is nuts. Aw, c'mon. I, I don't know. Huh? No no no this sucker's electrical, but I need a nuclear reaction to generate the one point twenty-one gigawatts of electricity.

Who, who? Right about here. Jennifer. Right, gimme a Pepsi free. Listen, Doc, you know there's something I haven't told you about the night we made that tape.

Next, please. Are those my clocks I hear? Yeah well, I saw it on a rerun.

Doc, she's beautiful. She's crazy about me. Look at this, look what she wrote me, Doc. That says it all. Doc, you're my only hope. I'll call you tonight.

Yeah well look, Marvin, Marvin, you gotta play. See that's where they kiss for the first time on the dance floor. And if there's no music, they can't dance, and if they can't dance, they can't kiss, and if they can't kiss, they can't fall in love and I'm history. Hello, hello, anybody home? Think, McFly, think. I gotta have time to get them re-typed. Do you realize what would happen if I hand in my reports in your handwriting. I'll get fired. You wouldn't

want that to happen would you? Would you? About how far ahead are you going? That's a great idea. I'd love to park. No, Marty, we've already agreed that having information about the future could be extremely dangerous. Even if your intentions are good, they could backfire drastically. Whatever you've got to tell me I'll find out through the natural course of time. Hello, hello, anybody home? Think, McFly, think. I gotta have time to get them re-typed. Do you realize what would happen if I hand in my reports in your handwriting. I'll get fired. You wouldn't want that to happen would you? Would you? Over there, on my hope chest. I've never seen purple underwear before, Calvin. No, it was The Enchantment Under The Sea Dance. Our first date. It was the night of that terrible thunderstorm, remember George? Your father kissed me for the very first time on that dance floor. It

was then I realized I was going to spend the rest of my life with him. You okay, is everything alright? Okay, that's enough. Now stop the microphone. I'm sorry fellas. I'm afraid you're just too darn loud. Next, please. Where's the next group, please.

Doc, is that a de- Ronald Reagan, the actor? Then who's vice president, Jerry Lewis? I suppose Jane Wymann is the first lady. Look me up when you get there, guess I'll be about 47. I think you got the wrong car, McFly. Uh no, not hard at all. So anyway, George, now Lorraine, she really likes you. She told me to tell you that she wants you to ask her to the Enchantment Under The Sea Dance.

McFly. Yeah but George, Lorraine wants to go with you. Give her a break.

Yeah well, you shouldn't drink. Something wrong with the starter, so I hid it. Just finishing up the second coat now. Aw yeah, everything is great. Hey man, look at Marvin's hand. He can't play with his hands like that, and we can't play without him. This sounds pretty heavy. George, help me, please.
